

EASTWAVE HOMEPAGE SCRIPT

Version 0.2

Status: Strategic Draft

Purpose: Design a homepage that turns visitors from observers into serious inquiries.

Goal:

Make visitors think:

"These people think differently."

Then:

"These people could help us build something more serious."

Homepage should feel:

creative

structured

editorial

interactive

commercial

quietly ambitious

Never:

generic agency

SECTION 01 — HERO

Purpose:

Immediate repositioning.

Visitors should realize:

These people understand growth differently.

Visual:

Large typography.

Minimal illustration.

Strong spacing.

Quiet motion.

Headline:

From rough ambition to working digital systems.

Subheadline:

EastWave helps businesses look credible, explain themselves clearly, and build smarter digital systems through strategic brand, custom web, and modern growth infrastructure.

Primary CTA:

Request an Audit

Secondary CTA:

Explore Services

Support Line:

Built from Nairobi.

Designed for East Africa and beyond.

Micro Line:

Not another agency.

A modern operating system for growth.

Scroll Behavior:

Hero compresses.

Illustration expands.

Page reveals system.

Emotional Effect:

calm confidence.

SECTION 02 — THE SHIFT

Purpose:

Challenge assumptions.

Headline:

Most businesses do not need more activity.

They need better systems.

Body:

Many companies are already working hard.

But:

their positioning is unclear.

their websites do not build trust.

their digital execution is fragmented.

their opportunities disappear.

EastWave turns movement into momentum.

Visual:

interactive comparison.
