

EASTWAVE SERVICES LIBRARY

Version 0.1

Purpose: Define EastWave's commercial offers in structured form.

These services should be treated as products—not task lists.

Every service must answer:

Who is this for?

What problem exists?

What changes?

What gets delivered?

What is the next step?

SERVICE 01 — CLARITY SPRINT

Category: Strategy

Purpose:

Help businesses clarify who they are before investing in execution.

Best For:

Marketplace founders

Local businesses

International market entry

Problem:

The business exists but:

- positioning is unclear
- messaging is weak

- website structure is confusing
- offers are difficult to understand

Outcome:

Clear direction.

Digital confidence.

Deliverables:

- positioning review
- homepage strategy
- messaging refinement
- service architecture
- roadmap

Starting From:

Strategy session

CTA:

Request an Audit

SERVICE 02 — CUSTOM WEBSITE SPRINT

Category: Digital Credibility

Purpose:

Build websites that increase trust and reduce friction.

Best For:

Businesses whose digital presence feels smaller than reality.

Problem:

Visitors do not understand.

Trust is low.

Conversions are weak.

Outcome:

A custom digital presence.

Deliverables:

- homepage
- service pages
- responsive design
- forms
- analytics
- launch support

Starting From:

Website sprint

CTA:

Explore Work

SERVICE 03 — GROWTH SYSTEM SPRINT

Category: Systems

Purpose:

Turn scattered execution into repeatable growth.

Problem:

The business runs manually.

Information leaks.

Opportunities are lost.

Outcome:

Growth infrastructure.

Deliverables:

- lead systems

- workflow design
- reporting
- operational structure
- automation recommendations

Starting From:

System review

CTA:

Request Audit

SERVICE 04 — MARKET ENTRY SPRINT

Category: Expansion

Purpose:

Help businesses translate into new markets.

Best For:

International companies

African companies expanding

Problem:

Market fit and communication friction.

Outcome:

Localized growth.

Deliverables:

- audience understanding
- positioning
- market adaptation
- messaging
- landing structure

Starting From:

Market session

CTA:

Explore Opportunities

SERVICE 05 — GROWTH INFRASTRUCTURE RETAINER

Category: Long-term Partner

Purpose:

Operate as EastWave's ongoing relationship.

Problem:

Momentum disappears after launch.

Outcome:

Continuous leverage.

Deliverables:

- improvements
- optimization
- experiments
- content
- review cycles

Starting From:

Monthly partnership

CTA:

Build With EastWave
